## SHORT LOCALS.

### Brief Items of Interest Throughout the Town and County.

These cool nights are interfering seriously with the growth of cotton in this section.

The Bible boys and girls next Sunday, May 18th, 4 p. m., Trinity M. E. Sunday-school. Come.

E. D. Raney has been nominated as postmaster at Beaufort. His many Bamberg friends extend congratulations.

We have received an invitation to the commencement exercises of the Southern Dental College of Atlanta, Ga., to be held May 15th. Mr. M. Herbert Varn, of this city, is one of the graduates.

Mr. and Mrs. E. M. Livingston, of North, have announced the engagement of their daughter, Miss Christabelle, to Mr. David E. Scarborough, of St. Matthews. The wedding will take place in the early summer.

We have received an invitation to attend the commencement exercises of Clemson college, to be held June 5th, 9th, and 10th. The baccalaureate sermon will be preached by Rev. Howard Lee Jones, of Charleston.

A delightful fish fry is being given at the river today (Wednesday) by the physicians of the city, and they have a number of their friends as guests. We regret that it was impossible for us to attend, on account of so many details to look after on press day.

The Porter Military Academy baseball team, of Charleston, came to Bamberg last week and played two games with Carlisle, one Thursday and one Friday afternoon. Carlisle won both games. The Carlisle boys have not suffered a single defeat at home this year.

The body of a young white man who was drowned at Edisto river was recovered Wednesday of last week. He was drowned several days before. It appears that the young man fell off a barge belonging to the Edisto Lumber Company while it was lying at the landing.

In another column will be found the notice of meeting of tax payers of Bamberg school district, to be held in the town hall in this city Monday afternoon, June 2nd, at four o'clock. This meeting is held to elect one trustee and fix the tax levy for the school the coming year. Every taxpayer of the district should be present.

The commencement exercises of Winthrop college, to which we have received an invitation, will take place June 1st, 2nd, and 3rd. The baccalaureate sermon will be preached by Bishop W. A. Guerry, of this State, and the address to the graduating class will be made by Hon. L. G. Walker, of Georgetown. Miss Marion Riley, of Denmark, is one of the graduates.

For several months the postmaster at Bamberg has been making efforts to secure better quarters and equipment for the office here, and he has had an uphill job of it. However, it seems that at last the matter is to be definitely settled, as the outlook is much more favorable than for some time. He hopes to be in position to make a definite announcement in a very short time.

Last week the Raleigh, N. C. Christian Advocate issued a special Sunday-school edition, which was a gem, there being printed therein a number of contributions from the pens of the ablest men in the Southern Methodist church. The issue was gotten out under the supervision of Mr. M. W. Brabham, formerly of Bamberg, who is now Field Secretary for the North Carolina Sunday-school Board.

Applications have been filed with the post office department for two additional rural routes out of Bamberg, one to cover the territory east of Bamberg, and the other to take in the section above town which is not now covered by any rural delivery service. It is thought that both of these routes will be established, as all the requirements have been complied with. The petition for the lower route has been in some time, and an inspector is looked for at an early date to investigate and make a final report.

The commencement exercises of the Carlisle School will take place May 31 to June 2nd, preparations for which are now going on. The first night will be students' night, and a play will be presented. Rev. Preston B. Wells, pastor of Bethel Methodist church, Charleston, will preach the annual sermon and the sermon before the Young Peoples Christian Association. The annual address on Monday evening will be delivered by Dr. Watson B. Duncan, pastor of St. Pauls Methodist church, Orangeburg. The graduating exercises will take place after the address.

## In Honor of Mrs. Barr.

Mrs. E. D. Andrews entertained Wednesday afternoon at a lovely reception in honor of Mrs. J. W. Barr, of Bamberg. The house was beautiful in a profusion of sweet peas, the hall, parlor and dining room being a comfortable bower of dainty blossoms. White ones were used entirely in the library and golden hearted daisies surrounded the ever popular punch bowl.

The guests were welcomed on the front porch by Miss Jule Lee and invited to the punch bowl, charmingly presided over by Misses Almira Coleman and May Moore. Mesdames Sloan and Crimes were at the front door and the guests were introduced to the hostess, Mrs. Barr and Mrs. W. C. Harrison by Mrs. A. C. Durst, Mrs. Jones Fuller, Mrs. Sarah Rudd, Mrs. A. T. Jamison, Mrs. Jno. Barksdale, Mrs. E. H. Williams, Mrs. George Rush and Miss Rogers assisted in entertaining before the guests were ushered into the lovely dining room. The table was decorated with a festive May-pole rising from a mound of sweet peas, with candles and baskets of sweet peas all around.

Mrs. W. P. Durst, Mrs. A. Rosenberg, Mrs. Crawford Clapp, Mrs. J. W. Coleman, Mrs. P. W. McClure assisted in here. Lovely girls dressed in pink and white served delicious strawberry cream and cake. Mrs. Harvey, Misses Seago, Pickett and Winstock ushered the guests into the library where delightful chats were indulged in.

All declared this to be one of the prettiest and most enjoyable of the gay fortnight's festivities.—Greenwood Journal.

## Dan Risher Paroled.

Dan Risher, who was convicted of manslaughter at the March term of court and sentenced to serve two years in the penitentiary or on the county chain gang, has been paroled by the governor. It will be remembered that Risher was convicted in connection with the killing of the young man Marvin, but it was not claimed by the State that Risher did any shooting. The testimony of the prosecution was that Risher and Marvin were fighting when D. A. Kinard fired the shot which killed Marvin. Risher has been serving his sentence on the county chain gang. The Columbia correspondent of the News and Courier has the following to say about the parole:

"Dan Risher, white, convicted of manslaughter at Bamberg in March, 1913, and sentenced to two years' imprisonment, was paroled by the governor upon the condition of good behavior and that he refrain from the use of intoxicating beverages except upon the prescription of a physician. This clemency was recommended by the board of pardons. Several of the officers and citizens of Bamberg also joined in the recommendation for clemency."

## The First Year at Bamberg.

Dear Courier: Yesterday I completed my first year with the Bamberg church. It has been the most pleasant and successful of my twenty-one years experience.

We have the work well organized and active every way. Our Woman's Missionary Society has at least twenty-five active and liberal members. They are to entertain the Training Institute June 3 and 4. We also have a Y. W. A., organized about two months ago and full of the enthusiasm and loyalty of consecrated young life. We have a B. Y. P. U. that is doing good work and a flourishing Sunbeam society. All of these organizations are regular and liberal contributors to benevolence, and so we have raised in cash for missions \$627 in six months, whereas we have been apportioned for the year for all objects \$622. Of course, we will go considerably over our apportionment by the time the Association meets in October.

We have had in the past year fifty-six accessions to our church, twenty-six of them by baptism and thirty by letter and restoration.

I am satisfied that church attendance has increased thirty-three and one-third per cent. and the Sunday-school attendance perhaps fifty per cent. We have our school pretty well graded and a most excellent superintendent, Dr. Robt. Black. Our school is to entertain the Barnwell County Sunday-school Convention in August and we expect that to be quite a stimulus. The people have a mind to work. No church in South Carolina can be any kinder to its pastor than these people are to theirs. Besides several poundings during the year, they sent the pastor to the State Convention last December and are now planning to send him to the Southern Baptist Convention in May. In addition to all the above and other little acts of kindness received almost daily and not mentioned, although well remembered, they closed the year by renewing the call to the pastorate and adding \$150 to his salary. The people have a mind to work! O, that many other churches had the same mind! What could they not do for missions? How they could lighten the heart and quicken the energy of many a discouraged pastor!—if they only had—not more money—but a mind to work.—W. R. McMillan in Baptist Courier.

## U. D. C. Elects Officers.

Mrs. H. W. Johnson was the hostess for the regular monthly meeting of the Francis Marion Bamberg Chapter, U. D. C., Tuesday morning at her residence on Railroad Avenue, and was assisted in entertaining by Mrs. Geraldine Moye. Mrs. J. O'Hern, of Lakeland, Fla., and Miss Elise Rentz, both of whom are so musically gifted, pleased the guests with several enjoyable instrumental selections. A delightful refreshment course was served, and at the business meeting it was decided that the daughters would give two scholarships to the Carlisle Fitting School to deserving applicants.

Following were the officers elected: President, Mrs. J. H. Murphy; first vice president, Mrs. G. Frank Bamberg; second vice president, Mrs. Adelle J. Brabham; recording secretary, Mrs. B. W. Simmons; corresponding secretary, Mrs. John Cooner; treasurer, Mrs. M. E. Ayer; historian, Mrs. W. P. Jones; registrar, Mrs. J. B. Hunter.

## An Approaching Marriage.

Mr. and Mrs. Henry J. Hardy announce the engagement and approaching marriage of their daughter, Anna Grace, to Winfred Bruce Bishop, formerly of Columbia, now of Savannah, Ga. The wedding will take place June 4 at the Church of the Good Shepherd.—The State, May 10th.

## WHO WILL GET THE NEXT \$10.

Herald Contest Causes Excitement. Next Count on May 26th and the Last Before the Final Count About the Middle of June.

The Herald voting contest goes merrily on, and interest in the outcome is growing more intense every day, especially since the \$400 piano has been shipped and will soon be on exhibition at The Herald Book Store. There will be two more counts—the next one on May 26th and that will be for \$10.00 in gold, the money to go to the contestant who makes the greatest gain in votes from the time of the last count, April 21st, to May 26th.

Previous votes will not count for the gold, but simply toward the piano, and that being the case, every contestant has an equal show, as the one who makes the greatest gain will be the one who will be awarded the gold.

It will be remembered that the first prize went to Miss Hattie Besinger; the second to Miss Hattie Besinger and Miss Elma Chitty; who will get the third prize?

We desire to call the attention of the contestants to this fact: The bonus votes, other than for the merchants coupons, will be reduced after the next count. This being the case the contestants should get in every vote possible between this time and May 26th, as the bonus votes will not be so large thereafter.

What you want to know is, how you can win the gold and the piano, too. Get new subscribers; get old subscribers to pay up and renew; trade with the merchants who are offering prizes; follow the rules and get in every vote you can between now and the 26th of May.

Try hard and win this last special prize we offer, and you will be in a good position to make the high vote on the piano count about June 15, which will be the last count, the result of which will determine who gets the piano.

The following bonus offer will continue and remain unchanged up to May 26th, so take advantage of this splendid opportunity to secure votes, as this will be positively the largest bonus we shall give on any seven years subscriptions at any time.

For every 7 new one year subscriptions 10,000 extra bonus votes, making a total of 14,200 votes.

For every 7 one year renewal subscriptions 8,000 extra bonus votes, making a total of 11,500.

For every bunch of 40 merchants' coupons 1,000 extra bonus votes will be given, making a total of 2,000 votes.

One five year paid up subscription and two yearly paid up subscriptions we will credit the candidate with the 10,000 bonus votes, or any combination of paid up new, or renewal subscriptions, for more than one year, totaling seven subscriptions, will entitle the candidate to the 10,000 bonus vote.

Five, ten and twenty year subscriptions are in themselves a bonus and cannot be counted in the group of seven at more than the value of five, ten or twenty single subscriptions.

For every 40 merchants' coupons brought to this office and counted by the publisher or his assistants, a bonus of 1,000 extra votes will be given, a total of 2,000 in all.

Do not forget the prizes the merchants are giving. If not fortunate enough to secure the piano, you may receive one of the merchants' prizes, and they are all worth working for.

These coupons may be collected from any and all merchants who are in the contest.

Remember and have your friends trade with the merchants who are giving the coupons. They are reliable tradespeople.

The names of the merchants who are giving handsome prizes and helping to make this contest a big success are as follows:

Peoples Drug Co., J. A. Murdaugh, J. D. Copeland, W. D. Rhoad, A. Rice, Mrs. A. McB. Speaks & Co., C. R. Brabham's Sons, The Millinery Store, Rentz & Felder, The Bamberg Pharmacy, E. A. Hooton's Ladies Store.

Remember the next prize of \$10 in gold goes to the one who makes the greatest gain in number of votes.

Remember that 11 of our leading merchants are interested in this contest, and give twenty-five vote coupons with every dollar's cash purchase.

Remember to have your friends to trade with merchants giving coupons. Their advertisements appear in this issue in connection with our offer.

No coupons on subscription account, whether back, new or renewals, will be given unless application is made for them at the time the money is paid. No votes given for any subscription for less than one year, that is the subscriber must pay for one year or more.

Miss Daisy Jones, of 1516 Broad street, attempted suicide by jumping in the canal Monday night.

She was rescued before the condition grew serious.

Miss Jones stated to the police that affairs of the heart caused the act. She jumped from the temporary bridge spanning the first level of the canal at Fifteenth street, near Greene, Lonnie Webb, a friend of Miss Jones, rescued her. Miss Jones was taken to the police barracks, where she was detained for her own safety, until Tuesday morning.—Augusta Herald.

## Mrs. Jones Williams Entertains for Two Charming Guests.

In honor of her two attractive guests, Mrs. J. D. O'Hern, of Lakeland, Fla., and Miss Lallah Wyman, of Aiken, S. C., Mrs. Jones Williams entertained Thursday afternoon, and the reception was a very notable social event for the number of guests present, the beauty of the decorations and the hospitality and goodwill which prevailed. This beautiful and handsome Colonial home lends itself naturally to the proper setting of large gatherings, and for this occasion was never more lavishly nor more exquisitely decorated, Dorothy Perkins pink roses, sweet peas, and gorgeous and beautiful poppies having been utilized with the taste and art of which the hostess is the mistress.

Mrs. Williams was assisted in receiving by Mrs. J. C. Lewis, and were then presented to the guests of honor in the front parlor. Mrs. Williams was gowned in a superb Nell Rose charmeuse with overdress drapery of embroidered chiffon, and was never more beautiful and charming than on this occasion. Mrs. O'Hern's elegant and extremely becoming costume was one of turquoise blue charmeuse, the overdress being of dew drop chiffon, a very handsome creation. Miss Wyman was attractively and daintily attired in a lovely dress of baby Irish lace over light blue satin. Mrs. Lewis wore one of the most becoming and handsome gowns seen during the afternoon, a wistaria charmeuse with Nile green trimmings.

When all had assembled and the gaiety of the afternoon was in full sway, cards were produced and Rook was made the game. The score cards were daintily handpainted in pink roses, carrying out even in this tiny detail the motif of decoration, and were much admired. Mrs. R. L. Risher, who was the lucky winner of the first prize in the game of chance and skill, was presented with one of the season's latest pongee tan and green parasols, and the guests of honor two lovely blue sashes to remind them of the delightful afternoon.

At the conclusion of the games an elaborate salad and sweet course was served. More than forty guests enjoyed Mrs. Williams' hospitality and the reception was a notable one in the society life of the town.

## Memorial Day in Bamberg.

The exercises of memorial day in Bamberg, which were in charge of the Daughters of the Confederacy, were held in the auditorium at the graded school last Saturday morning, and were well attended. The program as announced last week was successfully carried out. The prize offered the graded school pupils for the best essay was won by Miss Nell Black, and the prize to the Carlisle School students for the best essay was won by Mr. Lewis Stabler. These essays were on war subjects, and the prizes were given by the Daughters of the Confederacy. B. D. Carter, Esq., presented the prizes. After the exercises in the auditorium were over, the graves of Confederate soldiers were decorated by the ladies. Dinner was served to the veterans by the ladies on the school grounds.

## TRYING HARRY COLEMAN AGAIN.

Young Man, at Union, Charged With Killing Father.

Union, May 13.—The second trial of Harry Coleman, a well known young white man, charged with the murder of his aged father, Robert D. Coleman, who was killed by a shot fired through a window while reading a newspaper in his home on January 31, began here yesterday. A subsequent coroner's inquest charged the son with the killing, but the jury in the first trial was unable to reach a verdict and was dismissed by the Court.

At yesterday's session a jury for the second trial was completed, and the taking of testimony began. The testimony yesterday afternoon and this morning was concerning young Coleman's actions immediately following the tragedy.
